AYU PRAMESWARI
Senior Frontend Engineer
ayu.prameswari@example.com | Jakarta (fictional profile)

SUMMARY
Frontend engineer with 8 years building accessible, fast web apps.
Deep experience in SvelteKit, TypeScript, React, and state management.

EXPERIENCE
Lead Frontend Engineer, Acme Studio (fictional), 2021-2026
- Rebuilt a dashboard in SvelteKit; cut first load from 4.2s to 1.1s.
- Moved shared state into small stores and measured render counts before and after each change.
- Set up Playwright and Vitest suites; accessibility checks in CI.
- Explained architecture trade-offs in design reviews and mentored 4 engineers.

Frontend Engineer, Beta Labs (fictional), 2018-2021
- Built a React component library used by six product teams.
- Designed API contracts with backend engineers and documented error states.

SKILLS
SvelteKit, React, TypeScript, state management, performance, testing, a11y
